BOTTLE KEEP

Fine spirits are meant to be imbibed amongst friends at leisure in a proper environment.

We have created the Bottle Keep to foster such activities of grandeur.

Cheers.

HERE'S HOW IT WORKS:

Purchase a bottle of your favorite spirit and enjoy it as you wish. We will issue you a Bottle Keep card with your personal tag number. When you've finished imbibing, we will tag the bottle and store it safely until you return with your Bottle Keep card. If you'd like to authorize others to drink from your bottle, we will issue up to five entitlement cards.

COST OF MEMBERSHIP:

None. You will simply pay the price of the bottle upon enrollment.

AVAILABLE SPIRITS:

Any spirit legally distributed in New York State is available for the Bottle Keep. While some expressions are available immediately from our Private Inventory, rare spirits may take some time to acquire.

A BOTTLE FOR A FRIEND:

You may purchase for a friend. We only need the details of the person for whom the bottle is being purchased.
